

Registration

St. Joseph School Registration and Enrollment
for the 2018-19 School year is now open!

Please find attached the following 2018-19 registration materials...

2017-18 Registration Form

Both new and returning families need to fill out a Registration Form. Please make sure cell phone numbers and email addresses are up to date as these are important ways we share information with parents.

2018-19 Tuition Contract

Each family fills out a Tuition Contract. Please read the materials carefully and prayerfully discern what your contribution will be to the school before completing the gold Tuition Contract.

Fair Share Q & A

Our Tuition Program is based on the Fair Share Program: a program based on sacrificial giving and long-held principles of justice and honesty. Please read this Q & A sheet carefully before completing the Tuition Contract.

Volunteer Obligation Form

Each family is asked to contribute a minimum of 35 hours in volunteerism at the school and help earn \$300/student with fundraising. Please return the teal form indicating in what areas you are interested in volunteering.

Volunteer & Fundraising Handbook (for new families only)

This handbook is on the SIS for current families. Prospective new families will receive a hard-copy in their packet.

Direct Payment Authorization Plan Form

Most families enjoy the ease of having their monthly tuition payments made by automatic withdrawal. Please return the salmon form if interested in monthly payments.

What is your child's education worth?

St. Joseph School is well known for its high academic standards and faith-based education. Any parent who makes the commitment to send their child to St. Joseph School understands that they are committing to both a philosophy and a financial commitment, which is often a sacrifice for families.

It is important for parents to truly understand that if there is a difference between what they pledge and the actual cost of tuition that the difference has to be made up somewhere. This is why we have all the fundraisers that we do, and the Scrip Program...this is why we ask our parents to give of their time and talents to help our school prosper.

Thank you for the opportunity to work together (as a team: home and school) in providing for a top-notch Catholic education for your child.

Remember that a portion of your tuition may be tax deductible (please consult with your tax accountant for guidance).

In terms of federal taxes, any amount paid above the minimum tuition amount set each year is tax deductible to the fullest extent allowed by law and will be reported to you pursuant to section 170(f) (8) of the Internal Revenue Code.

Beginning with the 2014 tax year, according to the state budget bill (2013 Wisconsin Act 20), a tuition tax deduction was established (see Wis. Stat. s. 71.05(6)(b)49), so that Wisconsin families will be able to deduct religious school tuition expenses they have actually paid for that tax year (up to \$4,000).
